

Gatesbiel Quaker Housing Association is a small, housing scheme for older people on New Road, Windermere, next to Lakeland Gardens. We are opening our award-winning Garden to the public on Saturday 17th May between 1:00pm and 4:00pm, and very much hope you can join us.

Entrance is £5 which includes tea or coffee and cake, the opportunity to explore our 2-acre woodland garden in the grounds of the Arts and Crafts Movement Gatesbiel House, and to check out our plant and bric-a-brac stalls.

Proceeds from the event will be shared to benefit the Gatesbiel Garden and St Mary's Hospice in Ulverston.

Please note that we do not have card facilities—cash only

There will be no parking available on site but 'on-street' parking is available locally. Limited seating will be available. You may, however, wish to bring a folding chair.
